A stylish and comfortable piece of furniture in the living room is the basis for creating a calm and serene space that encourages relaxation and contemplation. You will find unique and comfortable designs for armchairs, bedroom beds, sofas, corner sofas and also chairs.

Each of the products can be personalized to your preferences thanks to the range of available fabrics in our offer.

We also deal with non-standard orders from customers, so if you have an interior design or would like to realize something unusual share your idea with us.

Customer satisfaction is the most important thing for us. Trust us and see for yourself by buying moments of relaxation for yourself.

We invite you to take a look at our portfolio and contact us.

Living Room Collections

Our collection of armchairs and sofas combines sturdy wooden construction with comfort and elegance thanks to the use of high-quality foams and fabrics. Perfect for relaxing after a hard day.

Corrugated springs and high-flexible foam, which perfectly adapts to the shape of the body, are used as the seat base. The foam is also found in the backrest of the furniture. This provides not only comfort, but also adequate support for the back.

Armchairs and sofas can be individually personalized, you can choose the color scheme yourself, as well as what fabrics are to be used in the finishing to match the furniture to your interior. In addition, for the sofa there is the possibility of expanding with additional modules, and for the armchair you can order versions of a 2-3 seater sofa in the same style.

You can find more information about the fabrics on our website. There you will also find other models we have on offer and many inspirations.
